- Challenges I - Accept the Challenge & Win a Prize Lecture: an informative and humorous perspective on my quilt challenge experiences.
- Challenges II- The Next Step Lecture: Now that you are inspired to challenge yourself - what next? I'll discuss my challenge quilt project experiences.
- Modified Quilt as You Go Class: Think of this technique as two-step quilting. This class yields quilted blocks embellished with a variety of appliqué options, then assembled.
- License to Play class: A twist on tradition as we explore creative ways to modify some of our favorite traditional block patterns.
